THERE'S MORE TO EXPLORE IN BERMUDA

Following the American Revolution, the British lost all of their strategic ports on the US mainland and instead turned to their "Gibraltar of the West:" the Royal Naval Dockyard. The dockyard remained a strategic base in the Atlantic for England and an active shipyard through WWI and WWII, until it stopped serving the Royal Navy in 1951.

TIME CHANGE: Remember to set your clocks one (1) hour back tonight before going to bed (Friday to Saturday) Please keep in mind that clocks don't change automatically on your mobile device when connected to the Wi-Fi or on Airplane mode.
